Please list any other words your child uses here:

Does your child combine two or more words in phrases?
(e.g., more cookie, car byebye, etc.) Yes _____ No _____

Please list below THREE of your child's longest and best sentences or phrases.

Rescorla Language Development Survey

The language development survey is designed to measure vocabulary development and early word combinations in young children by the use of parent report. By carefully completing the Language Development Survey, you can help us obtain an accurate picture of your child's developing language skills. Please check off each word your child says. Don't include words your child understands but does not say. It's all right to count words that aren't pronounced early. Don't count words your child understands but does not say. It's all right to count words that aren't pronounced clearly. Don't count words which your child repeats after you in imitation but does not say spontaneously.

Thank you for helping us to learn more about your child's language developments.
