What Job Do You Do?

1. You may already have job experience: Do you...
 - Baby-sit younger kids?
 - Help your family around the house?
 - Do yard work for your neighbors?
 - Tutor younger kids at school?
 - Help your grandmother in her garden?
 - Volunteer to help your teachers?

2. Work is a great way to learn basic skills:
 - ❖ Cooperating with others
 - ❖ Increased responsibilities
 - ❖ Value of money
 - ❖ Job skills
 - ❖ Time management skills
 - ❖ Self-confidence

3. Remember- although it is nice to get paid for what you do, volunteer work is a good way to get experience when you are not sure what you want to do or how much time you will have to do it.

4. Getting work experience when you're young will help you learn how to keep your future jobs and can help you to save money to buy the things you want to have...
